Empowering Society 5.0 through Transformation in Research | Education

CALL FOR PAPER

Overview

The 4th International Conference on Education Innovation (ICEI) 2020 is organized by Universitas Negeri Surabaya, Indonesia. The conference will be held on October, 3rd-4th, 2020, in Surabaya, Indonesia. Due to Covid-19 pandemic, the 4th ICEI will be conducted online (Virtual Conference), because our keynote speakers and participants' safety is our priority. This international conference aims to bridge the researchers, education experts, practitioners, teachers, and students in a scientific forum through sharing ideas and issues about theoretical and practical knowledge in special need education, educational technology, educational management, guidance and counseling, early-childhood education, elementary education, non-formal education, educational psychology. Current issues in our education is all education system should go online due to the pandemic. Teacher and students meet through online classroom system. The idea of society 5.0 suggests human touch in technology use. These influence researchers to do some research and a need to transform a research platform in this situation. Therefore, the theme of the conference is "Empowering Society 5.0 through Transformation in Research | Education".
